THE OHIO SONS AND DAUGHTERS OF
PEARL HARBOR SURVIVORS

As we approach the 66th Anniversary of Pearl Harbor, I extend my warmest greetings to the members and supporters of the Ohio Sons and Daughters of Pearl Harbor Survivors. I extol your dedication to commemorate and preserve this both historic and tragic date in American history.

I am appreciative of your commitment to educate our youth about the true significance of the events of December 7, 1941. It is an honor and privilege to hear the details of that day from direct descendants of people who were at Pearl Harbor that day and survived. Your determination for accurate and truthful representations of one of the most infamous day in American history will keep the lessons learned from Pearl Harbor with us as generations move forward.

BEST WISHES IN ALL FUTURE ENDEAVORS!

ON THIS SEVENTH DAY OF
DECEMBER, TWO
THOUSAND AND SEVEN.

Ted Strickland
Governor

THE GREAT SEAL OF THE STATE OF OHIO
